**\*\*Special Bonus ~ The AGG will shave his hair off and donate it to Locks of Love if the Jurisdiction initiates 75 new Daughters\*\***

## Goal:

1. 5 Daughters per Bethel
2. 50 Daughters per Jurisdiction
3. 75 Daughter's and the AGG will give his hair to Locks of Love.

## Rules:

- Ask a friend to join you at the next car wash, pop can drive, bowling party or other fun event. Job's Daughters is about having fun with friends. Share the experience. **Do not** try to qualify a girl for membership, just invite her! Parents talk to neighbors, friends and co-Workers; we are the premier youth organization because of our adult involvement. This is exactly what parents are looking for!
- Have hand outs & brochures ready when they ask for more information, everyone should have an informational packet that includes but not limited to: Bethel Guardian and/or Associate Bethel Guardian business card, Activity Sheet, Newsletter, Term Book, Job's Daughter's Brochures, Family Tree Tracker, Prospective Member Information sheet (must be returned to the Guardian in order to receive points) and of course a petition.
- Assign an Adult to track your progress and turn in the monthly report. For Bethels tracking Merit Points the Chair or Council Member who is already performing this function would be a good choice. Submit your monthly report to the VGG and everyone's progress will be reported on our website (Coloradojdi.org).
- In the event of a tie in any category, a drawing will be held at the May 2012 GGC to determine the winner. The best part is everyone is truly a winner with new members!

## Reminders:

Build Bigger Bethels by bringing in new members and by encouraging current members to continue to be an active part of Bethel activities. If there are members you have not seen for awhile, give them a call and invite them to come back. It's a fun place to be and the friendship can last a lifetime.

Extend common courtesies to others, both members and adults. Each one of us can make a difference by sharing a smile, welcoming visitors, extending the hand of friendship and by offering praise and thanks for the time we share. Have the Director of Socialability form a happiness committee of Daughters and adults to spread cheer and welcome every meeting.
